

CINEMA SOCIETY OF SCOTTSDALE

Preview the Best in Cinema!

The Cinema Society of Scottsdale is your ticket to discovering carefully selected motion pictures by the top major and independent studios, as well as undiscovered non-studio gems.

Our monthly events on selected Wednesday evenings at the Harkins Shea 14, include guest speakers who are local experts on the subject matter of the film, critics, actors, directors, or studio representatives involved with the film's production.

Our speakers share their expertise with you, providing a forum to discuss various aspects of the evening's movie. A typical Cinema Society program includes a cinema chat, formal introduction, screening of a feature film, class, documentary and / or short subject, followed by a discussion.

For an additional fee, members are invited to partake in various cinema travel opportunities.
